Please contact the office by email if you have any queries or require assistance

Unfortunately due to increases in the cost of living some club providers have had to raise costs for next term. As a school we have absorbed the increases this year but are unable to continue to do this. We are still committed to every child being able to do their club of choice and every child eligible for pupil premium is able to have one club free of charge - please contact the office if you require more information

**Boogie Pumps booking link is live now**

Boogie Pumps clubs should be booked via their link below they will not be on Parentmail. Each of their clubs has a limited number of Pupil Premium Spaces. Please email the school office to apply for these spaces.

These will be allocated on a first come first served basis.
