# Child Protection & Safeguarding Policy

The Trust is committed to Safeguarding and Promoting the Welfare of all its pupils. Each pupil's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.

Throughout any recruitment process, Safeguarding and Child Protection are given a high priority. All interview panels include at least one member who has completed Safer Recruitment training within the last 3 years.

**The Trust's Child Protection and Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of the Trust.**

Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child-centred.

School and college staff are particularly important as they are in a position to identify concerns early, provide help for children, and prevent concerns from escalating. Safeguarding and promoting the welfare of children is defined as:

- Protecting children from maltreatment;
- Preventing impairment of children's health or development;
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes.

- Ensure all staff are capable of identifying children and young people who are suffering or likely to suffer significant harm; and
- Ensure all staff are willing to take appropriate action with the aim of making sure they are kept safe both at home and in the education setting.

The Trust pays full regard to 'Keeping Children Safe in Education' guidance 2022.

We ensure that all appropriate measures are applied in relation to everyone who works for the Trust who is likely to be perceived by the children as a safe and trustworthy adult including e.g. volunteers and staff employed by contractors.

Please visit [www.nestschools.org](http://www.nestschools.org) for the full policy.
