Dear Parents and Carers

Well, it wasn't quite the end of term that we were expecting was it! We managed for as long as we could without any heating, but it was clear that the building would have been too cold for us all on Thursday and Friday. Thank you so much for your understanding about the early closing and I hope that your children enjoyed the Christmas activities that were posted on Google Classroom by their teachers.

Despite the change in end date, we were still able to sneak in a couple of Christmas performances/singalongs before we finished.

On Monday, the School Councillors and Eco-Warriors sang some carols at the junction of Elsie Road and Grove Vale. They cheered up all of the passers-by and raised some money for the Albrighton Centre. We even had toots on car horns and a bus driver or two waving to us!

At the end of the day on Wednesday we all gathered in the playground and had a mass singalong. It was lovely to be all together to celebrate the end of the term and to see us off into the holidays. Thank you for joining in and helping to get us in a festive mood!

Well done you three!

That's it for 2021! I hope that you stay well and enjoy the festivities that this time of year brings. I look forward to seeing you all in January, refreshed and ready to learn!
