Year 5 Ukulele Group

Reception class have been learning simple nursery rhymes with a Christmas twist! They are preparing to perform the accompaniment for the Reception's performance. Year 5s Fin, Una, Brianna, Oliviya and Christian have been giving up some of their lunch break to participate in special workshops led by Louis. Louis is an amazing ukulele player and has taught the group the chords for the performance. It has been lovely to observe peer to peer learning & the children working so well together.

Goose Green Carol Service

This year, to enable the safest possible way to get the community together, we will be hosting Christmas carols in the playground on the last day of term. Performances will start at 1:15 and we encourage you all to come along and join in. The children have been working very hard on their performances, so we thought it was important to be able to enjoy them with you. A huge THANK YOU to parent and musician Harry Escott, who has given up lots of his own time to come in and accompany the children with their performances. We are really looking forward to seeing (and hearing) you all on Friday.

Baby Music Sessions

We had a mini end of term 'social' this Tuesday. The children got some gift packs, from me, to encourage a creative and musical break.. A huge Thank You to author Sheena Roberts, who gifted a copy of Sleepytime Playsongs with CD for everyone. Sessions resume on Tues 11th January at 9am

Community Carols

School Council & Eco Warriors performed carols in the community this week. The children collected donations for Goose Green and the Albrighton Community Fridge.

Performances:

International Evening

Thank you to everyone who was able to come to International Evening. Each class had the opportunity to perform a short song, game or piece of music from around the world. Lots of you said how lovely it was to see the mini-performances and what great energy the children had.

Nativity performances

The Year 1&2 Nativity show Light, Camel, Action was amazing. So wonderful to have parents in to enjoy the children's singing, dancing and acting. Well done team!

Winter Fair

What a wonderful evening. Well done to The Year 5 Steel Pans, who played a number of pieces. The Year 5/6 choir sang too-backing tracks powered by the boogie bike! Lovely to share what the children are working on in school!

Nursery

They performed their cute Christmas songs to parents on Tuesday.

Reception, Year 3&4

Their performance will be uploaded to Google Classrooms. Please keep checking!

POETRY IN THE PLAYGROUND

Thank you to Ms Naomi, who has been teaching through the power of poetry across the school. Parents were invited in to watch their children's performances, which included physical movement and reciting poems in a dynamic and creative way. Some snippets are being uploaded onto the @GooseGreenPS_TheArts account, so if you were unable to make the performances, you can check it out online.

TEACHERS' GOT TALENT

Thank you so much to Ms Mansfield, who organised a hugely successful Talent Show in aid of Children in Need.

The children wore their pyjamas for the day and had the opportunity to perform a talent during the celebration assembly. I know it was tough for Ms Mansfield, as there was so many children who wanted to perform. She wasn't short of staff who wanted a bit of the limelight either. Mr Wattam's Staff Meeting was 'interrupted' by a Flash Mob of Goose Green staff dancers! I've heard that the highlight for many was the mass participation 'Follow the leader' at the end.
