22nd April 2022

Dear Parents and Carers

Welcome back! I hope you all had a good break and are enjoying this lovely sunshine. It has been great to welcome the children back this week. We have got straight back into our learning with exciting immersion activities and trips. On Thursday Year 2 went to Marsden Road Wildlife Garden and Year 3 visited the Museum of London. Today Year 1 have been to Vauxhall City Farm. All three year groups have come back with lots to talk about ready to kick start their learning this term. Other year groups have their trips or visitors in the next couple of weeks.

Meet Cat Shuttleworth

Next Wednesday Cat Shuttleworth, who will be joining Goose Green as Co-Head Teacher in September, will be on the gate at the end of day. Come and say hello to her introduce yourselves. She will be coming over to Goose Green half a day each week across the summer term so there will be lots of opportunities to meet her if you aren't around on Wednesday.

School Street

You might have noticed that we are no longer putting out the barriers at the end of Tintagel Crescent at the start and end of the day. This is because Southwark are in the process of installing cameras which will monitor the school street. Many thanks to Mrs Phillips and Mr Bartley for manning the barriers over the last few years and ensuring that we have all been kept safe. Please take extra care on the road until the new cameras are up and running. If you drive to school please be aware that the school street is still in place. This means that if you drive down the road during the times advertised on the signs, you could be subject to a fine.

Building Work

I am excited to announce that the building works are almost complete. When the final tweaks have been made we will be able to start using the new space and invite you all in to see it. In the meantime the bike and scooter shed has reopened. Children can now leave scooters and bikes in school again. Please remember when you are using the shed to be careful when taking your bikes and scooters in and out. The climbing equipment has also reopened – it has been great to see how much the children have enjoyed being able to use it again.

Staff Changes

Abby will be leaving our office team towards the end of this half term. She has got her dream job at a school her children attend. We are very sad to see her go but also excited for her and the new opportunities that this role offers her.

Wednesday Wake up

Mrs Rolls has been working with Dulwich Hamlet Football Club to bring an exciting new initiative to Goose Green. Please see below for details.

Have a lovely weekend
Louise Partridge

Wednesday wake up

Dulwich Hamlet football club have kindly given Goose Green access to its home ground **every Wednesday** morning at **0830** for a run or walk around the edge of the pitch to get us all focused for the day ahead!

Join us on Wednesday 27th April for the first run!

Dulwich Hamlets football ground is located next to the East Dulwich Sainsburys.

The entrance to use can be seen in the picture

On arrival you will be met by a Goose Green staff member who will show you where to start running! For 15 minutes you will run or walk around the pitch getting you pumped for the day! Maybe you could challenge yourself each week to go faster or do another lap.

Exercise is a great way to start the day and we want the whole family involved!

You must stay with your child and walk them to school once finished, running is optional!!!!
