20th May 2022

Dear Parents and Carers,

This week I have seen some fantastic writing from both our younger children and our eldest children. Yr 1 children proudly showed me books that they had written completely independently. I was incredibly impressed that they had chosen to do this in their free learning session showing a real enthusiasm for learning.

Year 6 have been studying "Robot Girl". I have had several visits from children this week bringing narrative writing based on the book for me to see. I have been struck by the quality of vocabulary and use of grammar to make the writing atmospheric and interesting. I can't wait to read the finished pieces.

Queen's Platinum Jubilee

Don't forget we are celebrating the Queen's Platinum Jubilee this week. Come to school dressed in red, white and blue next Friday for our Jubilee celebrations. We are looking forward to our special jubilee lunch and sharing the things that we have discovered about each decade the queen has been on the throne.

Year 6 Basketball

Congratulations to the Year 6 basketball team who convincingly won their match against a local school this week. Thanks to Ms Glatt who has led the team and arranged our place in this local tournament.

Basketball is just one of the sports that we are now playing competitive matches in. Teams in upper key stage two have also been playing football and netball with other local schools

We need your scrap paper!

We are looking for a wide range of paper for a project straight after half term to kick-start our whole school Arts Week. Please send in your unwanted paper, including wrapping paper, sheet music, maps, plain, lined or squared paper, coloured paper, patterned paper, paper from old notebooks, parcel paper or anything else you have lying around which you don't need.

Staffing

We have said goodbye to Abby today. We will miss her and wish her all the best at her new school. Abby's replacement Zoe will start with us on Monday. Please come in and introduce yourselves to her.

Ms Cole will be leaving us at the end of the year. She is moving to Wales to a beautiful home in the countryside. We wish her all the best.

Donations wanted

We are going to be working with a local charity who collect donations of unwanted toys and clothes to distribute to local families. Watch this space for further information
