Dear Parents and Carers,

It has been wonderful to see so many of you coming into school over the past week or two to join us in celebrating your children's learning across the curriculum. Making learning meaningful and having an audience for the children's work is central to our curriculum approach at Goose Green so a huge thank you for your support!

We are really looking forward to seeing you at our Pupil Progress Meetings (Parents' Evening) after half term. Please come and see us in the hall, where we would love to hear your feedback about our school, especially around how we communicate with you.

In the meantime, we hope you have a lovely holiday,

Louise Partridge and Cat Shuttleworth

Congratulations to our Learning Attribute Winners this week:

Max – for reflection when writing. Max improved his writing by checking his work carefully.

Otto – for courage for overcoming his worries about coming to school.

Avarie – for independence for getting a 15 day doodle streak.

International Evening

Thank you to FOGGS and all their volunteers for making international evening possible. We really appreciate the time everyone gave to make the event such a success.

If you weren't able to attend the event, please look on Google Classroom to see a video of all of the children performing their year group songs.
