13<sup>th</sup> November 2020

Dear Parents and Carers

No design frills this week because I'm writing this without the usual template – I can't seem to access the school server for some reason... Technology is a fantastic thing when it works!

## Great Learning

Here are a few of the fab things that have been going on in school this week:

Year 2 recreated *Good Morning Britain* in order to explore further the mysterious black beast that has been eyeing them through the window since half term. Isobel and Maleek interviewed the children who were in character, explaining how the youngest child had disappeared!

Clubs have restarted – hurray!

The Year 3 Art Club showed me their paintings of sunsets and flocks of birds – simple and very effective!

Jude brought in this amazing penguin that he made at home as part of his home learning. What you can't see is the brilliant 'Fact Egg' that accompanied it.

Did you know that Penguins huddle together for warmth? They would need to if the temperature drops to -60 degrees!

### Year 3 Maya Workshop

On Thursday Year 3 were transported to Central America to find out more about the Maya. They had such an exciting time learning about some of their customs and practices, religion and beliefs. They made Mayan headdresses, hunted for food and even made some human sacrifices to appease the gods.

### Flu vaccinations

Any children who missed the flu vaccine before half term will be able to have it on Friday 20<sup>th</sup> November. This includes the Year 1 children who were not in school. Please contact the office if you would like your child to be included.

### Ms Naomi's Tongue Twister Challenge

Well done to all who are collecting their Tongue Twister Champs Stickers. To earn your next one, follow the link for Tongue Twister Numero Trece:

<https://youtu.be/f1qMGsPp0Eo>

### Road Safety

Please remember that both Tintagel Crescent and Elsie Road residents are entitled to access the roads in their cars during the school streets closure time. You should still make sure that you and your children use your road sense to stay absolutely safe. Please use the pavements wherever possible. Thank you!

### Values Points Winners

As I mentioned, my technology is failing me today, so I only have one of the values points winners this week. (There will be five in the next newsletter!)

So, give it up for Lily who won for Pride and Positivity. Well done Lily!!

### FOGGS update

Thanks to everyone who attended the AGM. If you would like the minutes please email [info@goosegreenpta.org](mailto:info@goosegreenpta.org) and we will send them to you, or you can download them from the school website.

**FOGGS quiz night – Thursday 26<sup>th</sup> November at 20:30 on ZOOM**

Save the date: the FOGGS quiz will be online, fun and festive! It's £2.50 to enter (per household), with prizes to be won. All parents, carers, staff and friends of the school are invited. Please email FOGGS ([info@goosegreenpta.org](mailto:info@goosegreenpta.org)) or let your class rep know if you'd like to join in.

**Coming soon – a mix of free fun and fundraising events, details to follow:**

The Giving Tree  
Festive Raffle (online)  
Holiday treasure trail  
Holiday creative competition.

That's it from me this week – see you on Monday!

Simon Wattam
